WE NEED TO FILL Council officer position(s) that we have open, **Advocate.**

From the Supreme Council website: Minnesota
Father Wohlfohrt Council 12029 in St. Bonifacius teamed up with the local Lions Club to provide crucial dental work for a high school student who had recently lost her father. The young woman and her mother did not have adequate dental coverage or the financial resources to replace the broken crown of one of her front teeth. A teacher at Waconia High School tried for months to find funding for her student's dental work, finally reaching the Lions and Council 12029. A local dentist agreed to donate the crown and perform the work for a nominal fee, allowing the Knights and Lions to donate the \$500 each had earmarked for the project to the student and her mother for other expenses.
